

Survey of opinions about the economic situation in Denmark

Introduction

In this survey, we want to hear your opinion about current topics.

This survey is conducted by researchers at Aarhus University. We will conduct a follow-up survey at a later point, and we hope that you will participate again. There is more information on this at the end of the survey.

We are interested in hearing as many different opinions as possible. It is therefore very important for the survey that you participate and answer the questions.

Thank you in advance for your help.
