

## [Introduction]

Dear panelist,

A few months ago, you participated in a special survey about current topics, conducted by researchers at Aarhus University. The survey has now been extended with one round. We appreciated your participation in the previous surveys and are now contacting you again.

We are interested in hearing as many different opinions as possible. It is therefore important for the survey that you answer the questions.

Participants in this [fifth] round will enter a draw for 10 gift certificates of DKK 500 each.

Thank you in advance for your help.

Sincerely,  
Epinion
