Note: variable names ending with "_rie" are the assigned codes from coder 1 whereas variable names ending with "_kris" are from coder 2.

ID   Article identification number from Infomedia database
                 Character string with unique ID number.

v1_tid_rie   Date for publication of article
                 Numeric value in yyyymmdd format.

v2_medie_rie   Newspaper publishing article
                 1. Politiken
                 2. Jyllands-Posten

v3_issue_rie   Policy issue covered in article
                 1. Unemployment benefits
                 2. Early retirement benefits

v4_partiEL_rie   Is Unity List (Enhedslisten) present in article?
                 0. Party is not present in article
                 1. Party is present in article

v5_partiSF_rie   Is Socialist People's Party (Socialistisk Folkeparti) present in article?
                 0. Party is not present in article
                 1. Party is present in article

v6_partiS_rie   Is Social Democrats party (Socialdemokratiet) present in article?
                 0. Party is not present in article
                 1. Party is present in article

v7_partiRV_rie   Is Social Liberals party (Radikale Venstre) present in article?
                 0. Party is not present in article
                 1. Party is present in article

v8_partiK_rie   Is Conservative party (Konservative Folkeparti) present in article?
                 0. Party is not present in article
                 1. Party is present in article

v9_partiV_rie   Is Liberal party (Venstre) present in article?

For all variables, missing values are denoted "." or "NA" depending on the statistical program used.

	0. Party is not present in article
	1. Party is present in article

v10_partiDF_rie   Is Danish People's Party (Dansk Folkeparti) present in article?
  0. Party is not present in article
  1. Party is present in article

v11_posEL_rie   Which position is Unity List (Enhedslisten) expressing on the issue?
  0. Party position is not present in article
  1. Clearly against the policy proposal
  2. Somewhat against the policy proposal
  3. Ambigious towards the policy proposal
  4. Somewhat supportive of the policy proposal
  5. Clearly supportive of the policy proposal

v12_posSF_rie   Which position is Socialist People's Party (Socialistisk Folkeparti) expressing on the issue?
  0. Party position is not present in article
  1. Clearly against the policy proposal
  2. Somewhat against the policy proposal
  3. Ambigious towards the policy proposal
  4. Somewhat supportive of the policy proposal
  5. Clearly supportive of the policy proposal

v13_posS_rie   Which position is Social Democrats party (Socialdemokratiet) expressing on the issue?
  0. Party position is not present in article
  1. Clearly against the policy proposal
  2. Somewhat against the policy proposal
  3. Ambigious towards the policy proposal
  4. Somewhat supportive of the policy proposal
  5. Clearly supportive of the policy proposal

v14_posRV_rie   Which position is Social Liberals party (Radikale Venstre) expressing on the issue?
  0. Party position is not present in article
  1. Clearly against the policy proposal
  2. Somewhat against the policy proposal
  3. Ambigious towards the policy proposal
  4. Somewhat supportive of the policy proposal
  5. Clearly supportive of the policy proposal

v15_posK_rie   Which position is Conservative party (Konservative Folkeparti) expressing on the issue?
  0. Party position is not present in article
  1. Clearly against the policy proposal
  2. Somewhat against the policy proposal

For all variables, missing values are denoted "." or "NA" depending on the statistical program used.

3. Ambigious towards the policy proposal
        4. Somewhat supportive of the policy proposal
        5. Clearly supportive of the policy proposal

v16_posV_rie   Which position is Liberal party (Venstre) expressing on the issue?
        0. Party position is not present in article
        1. Clearly against the policy proposal
        2. Somewhat against the policy proposal
        3. Ambigious towards the policy proposal
        4. Somewhat supportive of the policy proposal
        5. Clearly supportive of the policy proposal

v17_posDF_rie   Which position is Danish People's Party (Dansk Folkeparti) expressing on the issue?
        0. Party position is not present in article
        1. Clearly against the policy proposal
        2. Somewhat against the policy proposal
        3. Ambigious towards the policy proposal
        4. Somewhat supportive of the policy proposal
        5. Clearly supportive of the policy proposal

v1_tid_kris   Date for publication of article
        Numeric value in yyyymmdd format.

v2_medie_kris   Newspaper publishing article
        1. Politiken
        2. Jyllands-Posten

v3_issue_kris   Policy issue covered in article
        1. Unemployment benefits
        2. Early retirement benefits

v4_partiEL_kris Is Unity List (Enhedslisten) present in article?
        0. Party is not present in article
        1. Party is present in article

v5_partiSF_kris Is Socialist People's Party (Socialistisk Folkeparti) present in article?
        0. Party is not present in article
        1. Party is present in article

v6_partiS_kris Is Social Democrats party (Socialdemokratiet) present in article?
        0. Party is not present in article
        1. Party is present in article

v7_partiRV_kris Is Social Liberals party (Radikale Venstre) present in article?
        0. Party is not present in article
        1. Party is present in article

For all variables, missing values are denoted "." or "NA" depending on the statistical program used.

v8_partiK_kris   Is Conservative party (Konservative Folkeparti) present in article?
- 0. Party is not present in article
- 1. Party is present in article

v9_partiV_kris   Is Liberal party (Venstre) present in article?
- 0. Party is not present in article
- 1. Party is present in article

v10_partiDF_kris   Is Danish People's Party (Dansk Folkeparti) present in article?
- 0. Party is not present in article
- 1. Party is present in article

v11_posEL_kris   Which position is Unity List (Enhedslisten) expressing on the issue?
- 0. Party position is not present in article
- 1. Clearly against the policy proposal
- 2. Somewhat against the policy proposal
- 3. Ambigious towards the policy proposal
- 4. Somewhat supportive of the policy proposal
- 5. Clearly supportive of the policy proposal

v12_posSF_kris   Which position is Socialist People's Party (Socialistisk Folkeparti) expressing on the issue?
- 0. Party position is not present in article
- 1. Clearly against the policy proposal
- 2. Somewhat against the policy proposal
- 3. Ambigious towards the policy proposal
- 4. Somewhat supportive of the policy proposal
- 5. Clearly supportive of the policy proposal

v13_posS_kris   Which position is Social Democrats party (Socialdemokratiet) expressing on the issue?
- 0. Party position is not present in article
- 1. Clearly against the policy proposal
- 2. Somewhat against the policy proposal
- 3. Ambigious towards the policy proposal
- 4. Somewhat supportive of the policy proposal
- 5. Clearly supportive of the policy proposal

v14_posRV_kris   Which position is Social Liberals party (Radikale Venstre) expressing on the issue?
- 0. Party position is not present in article
- 1. Clearly against the policy proposal
- 2. Somewhat against the policy proposal
- 3. Ambigious towards the policy proposal
- 4. Somewhat supportive of the policy proposal
- 5. Clearly supportive of the policy proposal

For all variables, missing values are denoted "." or "NA" depending on the statistical program used.

v15_posK_kris   Which position is Conservative party (Konservative Folkeparti) expressing on the issue?
- 0. Party position is not present in article
- 1. Clearly against the policy proposal
- 2. Somewhat against the policy proposal
- 3. Ambigious towards the policy proposal
- 4. Somewhat supportive of the policy proposal
- 5. Clearly supportive of the policy proposal

v16_posV_kris   Which position is Liberal party (Venstre) expressing on the issue?
- 0. Party position is not present in article
- 1. Clearly against the policy proposal
- 2. Somewhat against the policy proposal
- 3. Ambigious towards the policy proposal
- 4. Somewhat supportive of the policy proposal
- 5. Clearly supportive of the policy proposal

v17_posDF_kris   Which position is Danish People's Party (Dansk Folkeparti) expressing on the issue?
- 0. Party position is not present in article
- 1. Clearly against the policy proposal
- 2. Somewhat against the policy proposal
- 3. Ambigious towards the policy proposal
- 4. Somewhat supportive of the policy proposal
- 5. Clearly supportive of the policy proposal

For all variables, missing values are denoted "." or "NA" depending on the statistical program used.
